

Promoting the free exchange of knowledge and equality of
opportunity in accessing software

What is KDE?

- makes Software
- promotes cooperation, freedom, privacy and Open Source
- is Community

Collaboration with You

- KDE will provide you a unique, high profile platform to show your commitment to promote and distribute:
 - free desktop software
 - free exchange of knowledge
 - equality of opportunity

Why?

- By providing access to KDE's users from all over the world, KDE and you will be seen as supporters of FOSS, education, technology, science and research.

Opportunities and Benefits

- The sponsorship opportunities available are as follows:
 - Joint Events
 - Recruitment Drives
 - Workshops/Training
 - Focus Groups
 - Social Media
 - Shoutouts
 - Cover Photos
 - On-Screen Branding/Advertisement
 - Competitions
 - Sponsoring an application

Thank You

We can further discuss in detail the items and terms mentioned in the proposal and then finalize an agreement of sponsorship with You.
